

- Click the **File Upload (ftp)** link under **Customer Tools**
 - You will be redirected to Grafika's file upload web client page
 - Note: a java plugin will need to be enabled to use this utility
- Click **Upload** button

- Click **Browse...** to select a file and then click the **Upload** button to send the file

- Only one file can be uploaded at a time
 - Repeat the process for each file to be uploaded
 - When finished, click the **Close** button
- When you are finished, close the upload page/tab
